

# Joint Information System/Center (JIS/JIC) for PIOs (G-291)

Pasco, WA – May 8, 2014

## COURSE OBJECTIVES

This course builds on competencies gained in the Basic PIO course (G-290) applying those skills in an expanding incident where coordination is enhanced by establishing a JIS/JIC. This training will equip PIOs with the skills needed to establish and operate in a JIS/JIC. Participants will gain a working knowledge of operational practices for performing PIO duties in the NIMS multi-agency coordination system. The course will demonstrate how JIC concepts are applied in a flexible and scalable manner at the local levels.

## TARGET AUDIENCE

Personnel that have public information officer (PIO) responsibilities as their main function or as an auxiliary responsibility at the State, Local, or Tribal levels of government. Other applicants will be accepted on a space available basis only.

## PREREQUISITES

Participants are required to have completed the **Basic Public Information Officer (G-290)** course. *Please include a copy of your certification of completion with your course application.*
